ABOUT THE PROGRAM

From Classroom to Career

The **Employable Graduate** program is a structured, hands-on initiative crafted by the Chartered Accountants Study Circle to equip final year students with the practical skills, professional mindset, and career confidence that today's employers demand. This is not just training — it is a transformation.

15

Intensive Workshops

Each session is meticulously curated by practicing Chartered Accountants and industry professionals — covering real-world scenarios, soft skills, financial awareness, and workplace competencies.

CORE FOCUS AREAS

What You Will Master

Professional Skills

Resume writing, interview techniques, business communication and workplace etiquette.

Financial Literacy

Tax basics, personal finance, understanding payslips and the corporate financial world.

Aptitude & Mindset

Problem solving, leadership readiness, time management and growth orientation.

WHO SHOULD ATTEND

Made for Final Year Students

This program is exclusively designed for **final year undergraduate students** of Avixhi College of Arts and Science who are on the cusp of entering the professional world. Whether you are heading into a corporate role, pursuing further studies, or exploring entrepreneurship — this program gives you the edge.

"The goal is simple — every student who walks out of this program should walk into any interview room with confidence, competence, and clarity."
